Projects

Los Santos Estates – Full-Stack Real Estate Platform https://mern-stack-estate-b5hs.onrender.com · React, Node.js, Express, MongoDB Atlas, Firebase Auth, Cloudinary, Vite Developed a full-stack real estate platform using React, Node.js, Express, and MongoDB Atlas, featuring Firebase Authentication and Cloudinary for asset storage. Deployed a unified architecture on Render, optimizing production asset delivery by implementing robust path resolution methods (<code>process.cwd()</code>) and refactoring client-side wildcard routers to align with Express v5 specifications to eliminate deployment routing mismatches.	Jun 2026 - Jun 2026 Full Stack Web Development
Edu-Sity https://edu-sity-eight.vercel.app Independent Website Development · ReactJS , Css Built a visually engaging frontend clone of an e-learning platform / institute using React-js. Developed reusable components for course listings, instructor cards, testimonials, and landing sections. Implemented responsive layouts and animations for a polished user experience across devices. Practiced clean UI design principles with focus on visual hierarchy and modern styling techniques.	Web-Development
SQAC Official Club Website https://www.sqac.space SQAC Club SRM · NodeJS, express, TailwindCSS, ReactJS Designed an integrated backend API with the frontend so that dynamic pipelines can be created for the club's website. The state management and rendering of the components was optimized to synchronize the records from the database so that there are always updates on the payload.	Jun 2025 - Aug 2025 Web Development
Mineverse Official Website https://mineverse-sqac.vercel.app SQAC CLUB SRM · ReactJS, TailwindCSS, HTML Designed and developed the landing page and core frontend elements for Mineverse, the high-profile debut event hosted by the SQAC club. Prioritized responsive UI layouts and intuitive visual hierarchy to maximize user engagement, delivering a seamless, cross-device registration and information platform for all event attendees.	Aug 2025 - Aug 2025 Web Development
